

Walled Lake Percussion

Hi!

Thanks a ton to Ken Stirzinger and my parents for getting the props built this weekend! They look great. More help on these will be needed when the vinyl comes in.

Thanks,

Announcements

1) Mid-Term Exams.

Please be studying for this daily! We HAVE to reach our GPA goal and this will play a big role in it.

2) On/Off Practice.

We will be practicing On and Off the floor on January 22nd at 4:30pm. We aren't sure of the exact number of parents needed for this, but in the range of 10-15 is likely what we will need. I will get in touch with those that volunteered soon.

3) WGI Finals Information.

Information on the Hotel and Tickets for finals is on the webpage. I will also post about this in the Family Facebook page so you can ask questions if you have any.

4) Fundraising.

Lots of fundraising going on now. As you know, we can't get to the end of the season without this. Here is what we need:

- 1) **Bottle Drive** . Goal is \$100 per family. Final date is March 24th. You can give the money to Nick or put it in the safe, labeled with the WLP members name on it.
- 2) **Football Squares** . Goal is 6 squares per family. Final date is Feb. 12th. 8 squares would be ideal as we have to fill out 2 grids, but we know 8 is gonna be tough. Just do your best!
- 3) **Showcase Performance** . We just need volunteers for this. Click the link to sign up for a volunteer position:

- 4) **Raffle** . This will start in mid-February. More info to come.
