Hi Everyone!

You are getting this newsletter because you filled out the WLP Interest Form. The WLP Info Meeting is one week away. If you are even the slightest bit interested, please come to the meeting. Bring any questions you have and come to learn more about the program. In the mean time, feel free to email me any questions!

Thanks,

2) WLP Info Packet.

The WLP Info Packet is on the webpage. This has a ton of info in it. Please download this or print it off. We will go over this packet, and any questions you have, at the WLP Info Meeting on November 12th.

3) Technique and Exercise Packets.

Make sure to print off the Technique and Exercise Packets for the section you are interested in. Also, it is very important you read the "Expectations" page in the packets as it will have info on what you need to do depending on which group you want to be a part of.

4) Schedule.

The schedule for the season is in the Info Packet. As always, you have to be a little flexible with it as things sometimes change throughout the season.
