

# Walled Lake Percussion

Hi!

This will be the last newsletter for a while. As always, let me know if you have any questions on anything moving forward.

Thanks,

Nick Pourcho  
WLP Director  
nickpourcho@teachers.wlcsd.org

## Announcements

### 1) Raffle.

The raffle draw will take place on Friday. Myself and a few other parents will get together and do the draw. I will announce winners on Friday night. All tickets, sold or unsold, have to be collected. Per the state guidelines, we have to hold on to all tickers for seven years. Please get these turned in this week.

Contact Dawn Riecher (248-345-3366) to turn in tickets. You can drop them off, mail them, or Dawn will come and get them.

### 2) Scrapbook.

Any takers on this?? We need someone to do the end of the year scrapbook. I will put you in touch with the parents that did it last year and they can walk you through the process.

### 3) Photo's and Video's.

Anyone have any photo's or video's?? I didn't get any sent to me last week. If you have any photo's or video's, please put them into a dropbox folder, or something similar, and send them to me. We need them for the end of the year scrapbook and video.

### 4) Video Recap.

We still need someone to put together an end of the year video montage. Anyone that can help with this??

### 5) Banquet.

This is still ON for now. More info later.

### 6) Calendar.

Next year's tentative calendar will be posted on the webpage soon. I know it's early, but we want people to start planning so we can avoid absences as much as possible.

WALLED LAKE PERCUSSION
