- Golf Outing
- Bottle Drive

Marching Band Holiday Wishes:

May your reeds never go dry...

May you always be in tune...

May your sticks always find home...

May your flags fly true...

May your song ever bring joy...

May your spit valve never clog...

May your blisters remain a distant memory...

May you always find yourself in the midst of a beautiful harmony...

May you never be judged too harshly...

May the rain never dampen your spirits...or short out your electronics...

May your sunburn fade like an old quarrel...

May band camp come quickly...

May your dot book always be by your side...

May your director smile on you...

And, may you always nail your final note.
