UNIFORM REMINDER

We will be fitting all uniforms during the first half of next week at the at-home camp. **All returning members need to try on their uniforms and if they are too small (or big) return them to the band room on Monday, June 17th.** Kids can have growth spurts at any time but many freshmen and sophomores seem to outgrow one or both parts of the uniform. If the length is the only issue, you will need to adjust the hem on the bibbers and not return them.

Each section will be called in for uniform sizing and returning members needing a new uniform part will be able to exchange it at that time. If another size is not available we will place an order by the end of that band camp week. Due to the time it takes to order uniforms, this will be the only opportunity to place an order.

For any band uniform questions, contact Robin Friedman: rafhere@comcast.net

TIME FOR SPIRIT WEAR!

We are utilizing an online ordering system for spirit wear this season. Please go to:

www.Embroideryartists.com to **view** the available items. Click on (or point to) "Customer Login" and then click on "Walled Lake Central Marching Band". The password is EA-WLCMB2013. If you click on each item, it will show you a close up of the item with logo, product details, as well as pricing and embroidery options.

The site is not "live" for orders yet, but will be soon. You can view items and make your decisions...we will let you know when orders can be placed.

New members: you will receive one white, short-sleeved band shirt with your uniform. It is a good idea to purchase an extra, as you are required to wear this under your uniform for all performances and competitions. Sometimes we have a football game on Friday night and an early practice on Saturday.

Spirit wear questions can be directed to Deanna Granitz at mommyof3@comcast.net
