

Walled Lake Central Marching Band Band Buzz

Ice Cream Social this week

The ice cream social is a free annual event for 8th graders and their parents. This is for anyone interested in joining marching band, concert band, color guard, or the walled lake percussion group. No one needs to commit to anything on this night. You will meet Mr. Rogers, learn more about schedules, hear from current students about their experiences, and view a video of the State Championship! Please contact Mr. Rogers with any questions.

Friends and Family Show

Every year after Marching Band season is over, students have the opportunity to join the Winter Guard (similar to Color Guard) or the Walled Lake Percussion group (students from all three high schools performing in multiple levels of drumline competitions). These are fun ways for students to grow their skills and continue the fun during the winter months. The FREE friends and family show on March 29th at WLW is a showcase for these groups to perform for a large group before moving on to their final competitions! This is a MUST SEE event for all families—children and adults are always amazed at the talent that comes from these groups. As marching band families, let's support WLP and Winter Guard at this incredible show!

Marching Band Physicals

All band members are required to have a physical dated after April 15, 2019 on file before the first practice in June. Please make your appointment now and/or look for announcements of upcoming physical nights at school. Completed physical forms can be turned in when you attend registration on April 24 or 25 (pick one).
