

## Walled Lake Central Marching Band Band Buzz

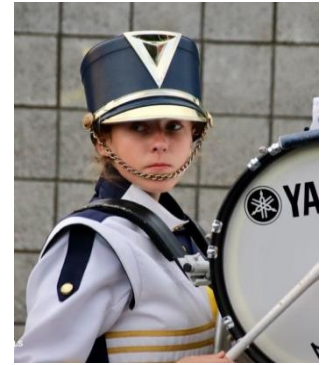

**All dues need to be current** this week in order for your child to participate in the Lakeland competition this Saturday, (\$950 paid through September). If you need to speak with us, please contact Christine Thornton or Dave Rogers.

**Students should have received your "We the People" band costume shirt.** Please take very good care of it and do not lose it. There are no extras at all. You need to keep it with your band uniform and do not mix it up with someone else's. They are specifically sized for each individual. Put your name on the inside tag. To clean your shirt it needs to be hand washed in cold water, then lay it flat to dry. Do not use hot water and do not put it in the dryer. We would not be able to order any replacements in time for competition.

**We are looking for volunteers to drive students to and from the practice at the Legacy Center in Brighton on Friday, November 1.** Volunteers will need to arrive by 2:45pm to collect their riders and leave by 3pm. Rehearsal runs from 4-7pm. Please email Kristi Cornish at [matandkristi@comcast.net](mailto:matandkristi@comcast.net) if you are able to drive and include the number of kids you can fit in your car, excluding yourself. Please feel free to specify names of kids you would like in your car. Please also note that students may drive themselves and siblings only if they choose. They may not drive any other students. LOTS of parents needed to help load the trailer at 2pm that day as well. If we do not have many helpers, the kids will lose hours of rehearsal time at the Legacy Center! Then after you load, you can help transport kids there at 3pm!

**Parent meeting minutes** from 9/11 are posted on the website (click [here](#)) – our next Parent Meeting will be on Wednesday, October 16<sup>th</sup> at 7pm! (Corrected from wrong date previously given).

**Uniforms MUST go home after every performance.** No one should leave it in the band room – ever! Please wash the uniform according to the "Caring for Your Uniform" link [here](#) and pay special attention to the bibbers' length to make sure it meets the requirements. Please make sure to do a great job of hemming bibbers if it is needed. No sloppy hemming please.
