

Walled Lake Central Marching Band Band Buzz

Band Physicals Available on June 10th!

Students MUST have a physical on file dated after April 15, 2019 before they are allowed to rehearse for the summer. If your child still needs a physical, we have made it really easy for your family – because **we are hosting a clinic** on Monday, June 10 from 6-8pm in the WLC band room!!! Cost is \$20 and you must bring your own MHSAA Physical Form found on Cut Time, [Cut Time MHSAA Physical Form](#). This is not just for band students, all are welcome!

Uniform Fittings Help Needed

We still need two volunteers to help with the Uniform Fittings tomorrow (May 28th) and again on Friday, May 31st - both nights run from 6-8pm. Please contact Melissa Rushton or Stephanie Campion if you are able to help.

Schedule Updates

From Mr. Rogers: Due to some schedule conflicts, the new member training will **only** be on one day – Saturday, June 1st from 9:45am-11:45am. AND Mr. Rogers has updated the summer practice schedule (aka Home Band Camp) – most rehearsals this summer will now begin at **10am** (arrive by 9:45am) instead of the originally scheduled 9am.

Volunteers for June “At Home Camp” Needed

June “[At Home Rehearsals](#)” Need YOU! There are **17** open chaperone spots for the June week of WLC Summer Rehearsals. Thank you to those who have already stepped forward to help! Rehearsals cover a LOT of hours over the course of the summer, but each shift is only about 3.5 hours. Easy work but incredibly important! (Click [here](#) for complete description of the job). Please contact Jennifer Mulder at wlcmbcampdirector@gmail.com with any questions.

Reminder: ALL registration forms and band bills for April, May, & June must be current to attend Home Camp in June! Forms can be turned in to Kim Abel and Payments can go to band safe!!!
