There are 4 criteria for awarding financial aid. Please tell us how your situation fits into these criteria. *All information is held in strict confidence.*

1. Hardship: For instance, student qualifies for free/reduced lunch, OR there are unusual circumstances that have reduced the family's income (i.e., extended unemployment, military deployment, etc.).

2. Family has done some fundraising to help themselves AND/OR is requesting partial aid (i.e., providing some of the money themselves) AND/OR has assisted the Band Boosters in activities and events (please list activities/events as appropriate). *Though not required, we do hope that families receiving financial aid will somehow be involved with the boosters (i.e. volunteering time to help with other fundraisers, helping raise money for the general fund, or providing assistance when needed at performances).*

3. Student has demonstrated a commitment to the band (i.e. is a dedicated band student)

4. Family applies for financial aid by the deadline date (May 17th , 2019).

Mail to: **Walled Lake Central Marching Band Financial Aid Fund, P.O. Box 795, Walled Lake, MI 48390.**

Financial aid is based on the criteria above and on the funds available.
