* We will NOT be performing in World Class Finals. But the members will be attending it as this is the best of the best performing and truly an awesome event to see live (we have performed in it 9 times in the past). In a normal year, this event sells out. Students will have backside seating tickets for \$30, so you do not need to buy them a ticket for this. It is also held at U of D Arena. This is an optional event for parents, but it makes for a really entertaining and fun night!
